**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because they provide better customer service than the competitor.

I believe competition is healthy for business, keeps businesses improving and meeting the evolving needs of customers.

The broadband that Sonic provides is critical to my business and to the tax paying employees I, and my business, support.

Keeping broadband services competitive is good for the economy.

As a a business owner I am paying attention to what the FCC does. I hope it does the right thing.
